FYI: I forwarded your message to the CAG chairs and Doug Sarno – asked them to get back to you directly with more specific issues they would like you to address if any.

The CAG requested that you give a 15-20 min overview of the RM10.9 CHASP at Thurs' CAG meeting. A link to the CHASP has been sent to the CAG chairs and Doug Sarno, who will forward it to the rest of the CAG. If the CAG chairs have any initial questions about the CHASP that they would like you to be sure to address during your presentation, they will e-mail you separately in the next few days.
